STOCK PILING GRAVEL BY WAY OF DRAGLINE (CRANE)
APPROXIMATELY 100,000 CUBIC YARDS, MORE OR LESS,
FOR THE YEAR 2022**

Sealed bids will be received at the office of the Shiawassee County Road Commission at 701 W. Corunna Avenue, Corunna, Michigan, **until 12:00 noon on Monday, August 8, 2022** and opened at the Regular Board Meeting on **Tuesday, August 9, 2022 at 7:30 a.m.** for **STOCK PILING GRAVEL** at the Ruess Road Pit located in Section 29 of Owosso Charter Township, Shiawassee County.

Prices shall be submitted on a bid sheet in a **SEALED ENVELOPE** marked "**STOCK PILING GRAVEL BID**" and shall include the name of the bidder on the envelope.

The undersigned has examined the contract documents (Advertisements, Proposal, General Conditions, Specifications and Special Provisions), and has reviewed the locations of the work described herein and is fully informed as to the nature of the work and conditions related to its performance, and understands that the quantities shown are approximate only, and are subject to either increase or decrease.

The undersigned hereby proposes to furnish all necessary machinery, tools, apparatus, and other means of construction and do all the work for the unit prices named in the itemized bid, to complete the work herein described in strict accordance with the plans therefore and in strict conformity with the requirements of the 2012 Edition of the MDOT Specifications for Construction and any attached supplemental specifications that may be a part of this proposal. The undersigned shall also be pre-qualified for the minimum amount of \$500,000 by the Department of Transportation.

The undersigned further proposes to do such extra work as may be authorized by the Shiawassee County Road Commission, prices for which are not included in the itemized bid. Compensation shall be made on the basis agreed upon before such extra work begins.

The undersigned encloses a certified check or bid bond in the amount of five (5%) percent of the bid, payable to the Shiawassee County Road Commission, which, it is agreed, will be forfeited as liquidated damages, if, in the event this Proposal is accepted, the undersigned shall fail to execute the Contract and furnish to the Shiawassee County Road Commission satisfactory performance and lien bonds and proof of insurance within ten (10) days after the notification of award of the Contract. It is further understood that the bid deposit of the lower bidder will not be returned until the Contract has been executed and that the bid deposits of all others will be returned promptly. The successful bidder will be required to furnish contract bonds as specified in Section 102 of the above referenced MDOT specifications. These bonds are to be submitted on standard forms provided by the Surety Company.

COMPLETION DATE FOR GRAVEL STOCKPILE

The completion date for 100,000 Cubic Yards of gravel. stockpiling will be November 12, 2022 for use in 2023. If this date is not met, a \$500.00 per day penalty will be assessed.

The quantities listed in the proposal are estimates and approximate only. The quantities of work to be performed are subject to increase or decrease as determined by conditions encountered in the prosecution of the work. Completed work will be paid for on the basis of actual materials furnished, and not as a lump sum on the estimated quantities used for bidding purposes.

The Shiawassee County Road Commission believes that the material in the water in this pit is of sufficient quality to allow the stockpile gravel to meet the specification called for. The Shiawassee County Road Commission has a 301 Permit issued by the EGLE for mining in the water. However, each bidder is responsible for making their own evaluation from the site inspection and the Shiawassee County Road Commission makes no guarantees. **Bidders must make a site visit to review current pit conditions.**
