**PROPOSAL**

2026 STATE HIGHWAY CURB SWEEPING

TWO (2) CURB SWEEPINGS

SPECIFICATIONS

Bidder will provide a list of equipment to be used on the project. The bidder shall bid a lump sum for each division.

The Road Commission shall be held harmless for any claims directly attributable to the sweeping operation.

**The Road Commission reserves the right to award each division separately. A bid bond or certified check in the amount of 5% of the bid award shall be retained by the Shiawassee County Road Commission before any work is commenced.** Upon fulfillment of this contract the performance bond or certified check will be promptly returned.

The Board reserves the right to reject any or all proposals or any part of the same, to waive irregularities and/or informalities and to make the award in part or entirety as may appear to the best interest of the County of Shiawassee. Also subject to MDOT approval and available funding.

If the quality of work being performed is not acceptable to the Shiawassee County Road Commission and the contractor cannot reach our quality standard, he will be relieved of the curb sweeping contract and the remainder to be awarded in the best interest of the Shiawassee County Road Commission.

**Insurance Requirements**

See attached.

**DESCRIPTION OF WORK:**

The contractor shall provide curb sweeping of specified major roads, bridges, and paved traffic islands, under the jurisdiction of the department in accordance with requirements stated herein. Sweeping shall be defined as a clean sweep and removal of all debris regardless of the number of times swept to obtain a clean street and regardless of type of equipment necessary for total dirt and debris removal.

The contractor shall also furnish supervision and all labor, equipment, transportation, disposal of sweepings and incidentals necessary, to satisfactorily perform the services at the frequencies and during the times as specified herein. The services shall include all functions normally considered a part of workmanlike, satisfactory public service.

## **Sweeping Services Include But Are Not Limited To The Following:**

Start date for the first sweeping will be determined by the contract administrator. Second sweeping will be a start date of August 15, 2026 and completed by September 2, 2026.

The contractor is required to sweep all paved portions and curbs of traffic islands, all curb and gutter radii and to hand sweep all corners and areas not accessible by street sweeper. All inlet tops shall be free of all debris following sweeping.

### **SWEEPING PROCEDURES:**

All sweeping shall be done with the flow of traffic. Each section of road being serviced shall be completed unless otherwise directed.

### **NON-SWEEPING DEBRIS:**

Non-sweepable debris that can be moved by one person shall be removed and placed on the roadside or curb lawn. Debris not movable by one person shall be reported. Examples of non-sweepable debris are, (but not limited to) rocks, bricks, bottles, limbs, and sticks. One example of sweepable debris would be leaf piles less than two hundred (200) mm in depth.

### **DUST CONTROL:**

All sweeping shall be accomplished with use of water for dust control. The contractor shall contact the local municipality for water and hydrant use and comply with their requirements and all applicable regulations at no additional cost to the department.

### **DISPOSAL OF MATERIAL:**

The contractor is responsible for disposal of all material.

Disposal of sweeping material from MDOT trunklines must be disposed of at a licensed class II landfill. Sweepings shall not be stored or stockpiled on MDOT property or right of way at any time.

This material is not considered hazardous waste and does not require a manifest. The contractor, however, must provide documentation to the Contract Administrator that the material was disposed of in this manner. The contractor should be aware that some landfills require testing. Any costs to dispose of the material as well as required tests by the landfill owner will be paid by the contractor and included in the bid price.

### **EQUIPMENT REQUIREMENTS:**

#### **General**

The contractor shall furnish, operate and maintain suitable and adequate equipment necessary to perform the cleaning operation in an approved safe, workmanlike manner without hindrance, delay or damage to the roadside.

### **Type of Equipment**

The contractor shall be required to use a sweeper approved through an acceptable demonstration of the equipment's capabilities, suitability and condition to the Department. Demonstrations will be at no cost to the Department.

### **Safety**

All equipment shall meet all federal state and local safety requirements. Equipment shall be equipped with commercial type flashing amber lights plainly visible from all directions. Flashers shall have a minimum of 32 candlepower output and flash 50 to 60 times per minute. Under no circumstances shall the Department be responsible for any damage to the contractor's equipment due to obstacles encountered.

### **Rejection for Lack of Proper Equipment**

Vendors who bid on this project and in the opinion of the Shiawassee County Road Commission do not have proper and/or sufficient equipment and personnel to do the work within the time limits required will be rejected and the remainder to be awarded in the best interest of the Shiawassee County Road Commission.

### **MAINTAINING TRAFFIC:**

Traffic shall be maintained in accordance with the Michigan Department of Transportation (MDOT) 2012 Standard Specifications for Construction, and the Michigan Manual of Uniform Traffic Control Devices (MMUTCD). All operations shall be conducted in a manner that will not create a hazard. The contractor shall not operate equipment in a manner that requires unnecessary crossing of the roadway. Equipment may not be temporarily parked on free access roadways except at those locations designated by the Contract Administrator.

### **PUBLIC CONVENIENCE AND SAFETY:**

The contractor shall comply with all federal state and local laws and regulations, including those governing environmental protection and the furnishing and use of all safeguards, safety devices and protective equipment. The contractor shall take any other actions, on either his/her own responsibility or as directed by the Contract Administrator, reasonably necessary to protect the safety and health of employees on the job and the public and to protect property during the performance of the project.

### **DAYS / HOURS OF OPERATION:**

All work included in this contract shall be performed during daylight hours only. No work shall be allowed on weekends unless prior approval is obtained from the Contract Administrator. Work shall not be permitted during holiday periods in accordance with the MDOT 2012 Standard Specifications for Construction.

### **DAMAGES:**

The contractor shall at his/her own expense, preserve and protect from injury all property, either public or private, along and adjacent to the roadway, and he/she shall be responsible for and repair, at his/her own expense, any and all damage and injury thereto, arising out of or in consequence of any act or omission of the contractor or his/her employees in the performance of the work covered by the contract prior to completion and acceptance thereof.

The contractor shall immediately repair all damage to signs, light fixtures, and delineators to the satisfaction of the Contract Administrator. Damage to traffic control devices (signs) shall be reported to the Contract Administrator immediately.

All landscape plant material damaged by the contractor shall be replaced in kind according to the MDOT 2012 Standard Specifications for Construction and as herein specified. Planting may only be done prior to May 10 of the following year if the damage occurred after May 10. All replacement plants must be maintained during the specified establishment period.

Payment for work performed may be withheld until satisfactory repairs are made. If repairs are made by the Department, the actual replacement costs including all labor, equipment, materials, and fringe benefits shall be charged to the contractor.

#### **TAXES:**

The Shiawassee County Road Commission is exempt from federal and state taxes.

#### **DELETION OF WORK:**

The Shiawassee County Road Commission may delete all or any portion of the contract that cannot be completed in conformity with the progress schedule or a reasonable extension.

If the contract is terminated, or portion thereof deleted, payment will be made for all satisfactorily completed work at the contract unit price.

#### **GENERAL:**

##### **Work Approval**

The contractor shall notify the Contract Administrator a minimum of forty-eight hours prior to the start of cleaning operations. During this period of cleaning operations, the contractor shall consult the Contract Administrator for inspection and tentative approval of work being accomplished, so that, in the event of unsatisfactory work, sufficient time will be available to the contractor to make corrections in a satisfactory manner within the time specified.

##### **Renewal Options**

The Shiawassee County Road Commission reserves the right to renew the contract for two (2) additional one-year terms. Each renewal to be mutually agreed upon by both parties. Pricing, terms and conditions of the first year of the contract will remain the same for any subsequent one-year renewal period.

**INSURANCE REQUIREMENTS FOR ACTIVITIES PERFORMED  
FOR MICHIGAN DEPARTMENT OF TRANSPORTATION**

**2.130 Insurance**

**2.131 Liability Insurance**

The Contractor must provide proof of the minimum levels of insurance coverage as indicated below. The insurance must protect the State from claims which may arise out of or result from the Contractor's performance of services under the terms of this Contract, whether the services are performed by the Contractor, or by anyone directly or indirectly employed by the Contractor or by anyone for whose acts they may be liable.

The Contractor waives all rights against the State of Michigan, its departments, divisions, agencies, offices, commissions, officers, employees and agents for recovery of damages to the extent these damages are covered by the insurance policies the Contractor is required to maintain under this Contract.

All insurance coverage provided relative to this Contract/Purchase Order are PRIMARY and NON- CONTRIBUTING to any comparable liability Insurance (including self-insurances) carried by the State.

The insurance must be written for not less than any minimum coverage specified in this Contract or required by law, whichever is greater.

The insurers selected by Contractor must have an A.M. Best rating of A or better, or as otherwise approved in writing by the State, or if the ratings are no longer available, with a comparable rating from a recognized Insurance rating agency. All policies of insurance required in this Contract must be issued by companies that have been approved to do business in the State.

See [www.michigan.gov/dleg](http://www.michigan.gov/dleg).

Where specific limits are shown, they are the minimum acceptable limits. If Contractor's policy contains higher limits, the State must be entitled to coverage to the extent of the higher limits.

The Contractor is required to pay for and provide the type and amount of insurance  checked below:

1. Commercial General Liability with the following minimum coverage:

\$2,000,000 General Aggregate Limit other than Products/Completed Operations

\$2,000,000 Products/Completed Operations Aggregate Limit

\$1,000,000 Personal & Advertising Injury Limit

\$1,000,000 Each Occurrence Limit

The Contractor must list the State of Michigan, its departments, divisions, agencies, offices, commissions, officers, employees and agents as ADDITIONAL INSUREDS on the Commercial General Liability certificate. The Contractor also agrees to provide evidence that Insurance policies contain a waiver of subrogation by the insurance company.

**To the above policy, the following additional insured phrase shall be added in its entirety:** Shiawassee County, the Board of County Road Commissioners, County Road Commission, State of Michigan, Michigan Transportation Commission, Department of Transportation, and government bodies performing permit activities under a maintenance contract, and all officers, agents and employees of all the above, for claims arising out of, under, or by reason of operations covered by the permit issued to the permittee.

2. If a motor vehicle is used to provide services or products under this Contract, the Contractor must have vehicle liability insurance on any auto including owned, hired and non-owned vehicles used in Contractor's business for bodily injury and property damage as required by law.

The Contractor must list the State of Michigan, Its departments, divisions, agencies, offices, commissions, officers, employees, agents as ADDITIONAL INSUREDS on the vehicle liability certificate. The Contractor also agrees to provide evidence that insurance policies contain a waiver of subrogation by the insurance company.

3. Workers compensation coverage must be provided according to applicable laws governing the employees and employers work activities in the state of the Contractor's domicile. If the applicable coverage is provided by a self-Insurer, proof must be provided of approved self-insured authority by the jurisdiction of domicile. For employees working outside of the state of qualification, Contractor must provide appropriate certificates of Insurance proving mandated coverage levels for the jurisdictions where the employees' activities occur.

Any certificates of Insurance received must also provide a list of states where the coverage is applicable.

The Contractor also agrees to provide evidence that insurance policies contain a waiver or subrogation by the Insurance Company. This provision must not be applicable where prohibited or limited by the laws of the jurisdiction in which the work is to be performed.

4. Employer's liability insurance with the following minimum limits:

\$100,000 each accident  
\$100,000 each employee by disease  
\$500,000 aggregate disease

2.132 Subcontractor Insurance Coverage — Deleted — Not Applicable

2.133 Certificates of Insurance and Other Requirements

Contractor must furnish to DMB-Purchasing Operations, certificate(s) of insurance verifying insurance coverage or providing satisfactory evidence of self-insurance as required in this Section (the "Certificates"). The Certificate must be on the standard "accord" form or equivalent. THE CONTRACT OR PURCHASE ORDER NO. MUST BE SHOWN ON THE CERTIFICATE OF INSURANCE TO ASSURE CORRECT FILING. All Certificate(s) are to be prepared and submitted by the Insurance Provider. All Certificate(s) must contain a provision indicating that coverages afforded under the policies WILL NOT BE CANCELLED, MATERIALLY CHANGED, OR NOT RENEWED without 30 days prior written notice, except for 10 days for non-payment of premium, having been given to the Director of Purchasing Operations, Department of Management and Budget. The notice must include the Contract or Purchase Order number affected. Before the Contract is signed, and not less than 20 days before the insurance expiration date every year thereafter, the Contractor must provide evidence that the State and Its agents, officers and employees are listed as additional insureds under each commercial general liability and commercial automobile liability policy. In the event the State approves the representation of the State by the insurer's attorney, the attorney maybe required to be designated as a Special Assistant Attorney General by the Attorney General of the State of Michigan.

The Contractor must maintain all required insurance coverage throughout the term of the Contract and any extensions and, In the case of claims-made Commercial General Liability policies, must secure tail coverage for at least three years following the expiration or termination for any reason of this Contract. The minimum limits of coverage specified above are not intended, and must not be construed, to limit any liability or indemnity of Contractor under this Contract to any indemnified party or other persons. Contractor is responsible for all deductibles with regard to the insurance. If the Contractor fails to pay any premium for required insurance as specified in this Contract, or if any insurer cancels or significantly reduces any required insurance as specified in this Contract without the State's written consent, then the State may, after the State has given the Contractor at least 30 days written notice, pay the premium or procure similar insurance coverage from another company or companies. The State may deduct any part of the cost from any payment due the Contractor, or the Contractor must pay that cost upon demand by the State.

2.140 Indemnification

2.141 General Indemnification

To the extent permitted by law, the Contractor must indemnify, defend and hold harmless the State from liability, including all claims and losses, and all related costs and expenses (including reasonable attorneys' fees and costs of investigation, litigation, settlement, judgments, interest and penalties), accruing or resulting, to any person, firm or corporation that may be injured or damaged by the Contractor in the performance of this Contract and that are attributable to the negligence or tortious acts of the Contractor.

2.142 Code Indemnification — Deleted — Not Applicable

2.143 Employee Indemnification — Deleted — Not Applicable

2.144 Patent/Copyright Infringement Indemnification — Deleted — Not Applicable
